Deerslayer Bowman's Association (DBA)

Welcome Spring and all Deerslayer members- new and existing!

With the cold weather and snow starting to become a thing of the past its time to look forward. Our first Central NY 3D shoot is scheduled for Sunday, March, 28th. It's a little earlier than normal but, we want to get a jump on all the shooters who are getting cabin fever. With this said we have scheduled two work parties: Saturday, March 20th and Saturday, April 10th. We can use everyone's help. I understand that everyone has lives and children, wives, husbands, jobs, etc....we all do. So if you can spare even a couple of hours it would benefit our club and its members. There is a lot to be done so let's give everyone a little bit to do and cut the workload down. "Many hands make light work." I'm not sure who said this originally but, it certainly makes sense here. Any questions feel free to contact me at 315-216-6014 or at ebroekhuizen@twcny.rr.com or you can contact Jim Burdic at 315-529-5995 or at jpburdic@sealinfo.com.

As of April 1st there will be a new combination on the club locks. If you have not paid your 2010 dues now is the time. Without them paid you will not receive any combos. The cost is still only \$25.00. So, get them in the mail ASAP or bring them to the club and drop them in the mail slot by the front door. The clubs mailing address: Deerslayer Bowman's Assoc., PO Box 1025, Oswego, NY 13126. If you have an email address please send that along. If you have already given it to us then- Thank you and we will be emailing the new combination to you. You can call Brenda (or email: bmmny@hotmail.com) or Eric at 216-6014 and they can check to see if your dues are up to date.

This year we have started a three part IBO qualifier with two other clubs: First shoot is at Glen Coe Conservation Society in Glenwood NY (western region) on April 18th; the second shoot is at Lansing Bowhunters in Lansing NY (Finger Lakes region) on May 23rd; the last shoot is at Deerslayer's June 26th and 27th it is also our Central NY 3D shoot. We have the final event and are expecting a full house. Any help we can get would be greatly appreciated. We would like to have a large group of shooters attend each of the IBO events. If you would like to go we can get you the information. You do not need to shoot the IBO, you can shoot just for fun. Brenda, the kids and I will be going down to both shoots. We are going to make a weekend of it at each event. Please join us for a chance to support the other clubs which will in turn support our club.

Again this year we are raffling off a Lifetime Sportsman License to support our Youth Archery Program. Only 300 tickets are to be sold. The drawing will be on June 27th, 2010. Contact Eric or Brenda for tickets. We will be starting the program in June. We are in need of light draw weight (15-20lb) recurve bows that are in good shape. If you have any that fit this description and are willing to donate them we would be very grateful.

We want to have a summer league again this year. We are in need of someone to run it. Jim Burdic has the information you would need. If interested in running the league please give Jim Burdic a call or email. Our monthly meetings will start being held at Deerslayer Bowman's clubhouse again on Wednesday, April 7th and will be every first Wednesday of each month...hope to see you there!
